**PETITION FOR ACCEPTANCE OF COLOR  
DRAWINGS/PHOTOGRAPHS UNDER 37 CFR 1.84(a)(2)**

Sir:

It is hereby petitioned under 37 CFR 1.84(a)(2) that color drawings/photographs be accepted for Figs. 10A, 10B, 10C (sheet 10) and Figs. 12A, 12B (sheet 12).

The reasons are that the tumor on the mouse and its regression and increase (Figs. 10A, 10B, 10C) show most clearly in color photographs and fully informative illustration of the staining of the tumor tissue (Figs. 12A, 12B) requires color. For example, the specification at page 18, last paragraph refers to red staining.

Charge any fee deficiency or credit any overpayment to the same deposit account.

The color drawings in triplicate and a black and white copy are appended hereto.

Respectfully submitted,
